All Measure E & F Funds Stay Here in Our San Ramon Valley Schools

Great Schools Protect High Property Values

San Ramon Valley schools are among the highest performing in the country. SRVUSD had more National Blue Ribbon schools last year than any other district in the nation. Excellent schools improve the quality of life in our community and protect the value of our homes.

Local Funding Supports High-Quality Local Schools

The State government formula only provides enough funding for a basic educational program. We cannot rely on the State alone to provide the high-quality teaching and academic programs our community expects and our students need.

Local voters understand this: for 20 years expiring local funding, combined with extensive parent donations, has allowed our local students to keep pace.

Measures E & F Keep Local Schools Among the Best in the State

Today, San Ramon Valley schools face the loss of critical funding sources. Measures E & F would provide the stable, locally controlled funding needed to maintain excellent teaching and high-quality academics and student supports in local schools.

Yes on E: Renew Expiring Local Funding

- ✓ Attract and retain skilled, experienced, and dedicated teachers
- ✓ Support innovative academic programs in science, technology, engineering, arts, math, reading, and writing
- ✓ Prepare students for college and careers
- ✓ Provide career technical education

Yes on F: Locally Controlled Funding for Our Youngest & Most Vulnerable Learners

- ✓ Support reading and literacy development for the youngest learners
- ✓ Provide qualified classroom teachers specializing in students with special needs and counselors to support struggling students
- ✓ Address student mental health needs

Local Control & Accountability Ensure Proper Use of All Funds

- ✓ All funds are for local schools – no funds can be taken away by the State
- ✓ No funds for administrators' salaries or pensions
- ✓ Independent citizens' oversight and mandatory annual audits required
- ✓ Senior citizen homeowner exemption

By Mail, By May 7, Vote Yes on E & F: Protect Excellent Teaching & High-Quality Education
